

Dear Panthers,

The countdown has begun! In just over a week, we will welcome back the students with great joy! We are looking forward to another great year.

As we get closer to the first day of school, we want to remind you of a few details. First, if your children in grades kindergarten through eighth grade are going to ride a Boone County bus this year, you must submit a bus form. This is mandatory per the Boone County transportation department. They must know who will be riding their buses and from which location to school and back home. Boone County requires the form for every student that rides a bus for safety, insurance, and liability purposes.

Please be aware that Boone County does have the right to refuse transportation to a student that does not have a form on file, and we have been informed that this will be enforced this year. The school and student ID numbers are not needed on the form. **Please make sure we receive the form back ASAP.** They have to be routed by Boone County and then parents are notified. Going forward, this form will be required by Boone County prior to the beginning of the year each year.

Second, the new middle school classrooms will be open on Wednesday, August 8 from 1:00-3:00 for students in 6th, 7th, and 8th grades to drop off their supplies and try their lockers. All parents are invited to attend the orientation on Monday, August 13 from 6:00-8:00, but students may visit the middle school ahead of time to see where the teachers are located.

Parents of preschool and kindergarten students are welcome to attend the orientation, but they are not required as they just attended a very successful cookout this past Sunday! (Thank you to all of our teachers, aides, and volunteers that helped in the hot weather! We had an amazing turn out and it was a lot of fun to make new friends!)

Third, we have only had 2 parents request Children Inc. after school care services. At this time, we won't be able to offer it at the school for kindergarten through eighth grade. We do have transportation for kindergarten through eighth grade students to go to Discover Zone at Florence Christian Church, Gary Williams Martial Arts, or All About Kids. We are also exploring other options and will send information as soon as we can. We will offer preschool after care until 5:30 on regular school days.

We are looking forward to seeing everyone next week! Please contact us if you have questions in the meantime. We are very fortunate to work with such wonderful families and we appreciate your patience and dedication to the students!

God bless,

St. Paul Staff
