

Summer Math Challenge

This summer we are kicking off our first ever Summer Math Challenge!

We are adopting the IXL Summer Math Boost - a preset list of twenty skills that are a great review of this year's content. All of our students have used the IXL platform this year and are familiar with how to use the program.

Attached you will find your student's login information for IXL. Once they have successfully logged in, your child will go to LEARNING and then IXL PLANS. The Summer Math Boost has been pinned for your child.

The IXL Summer Math Boost has a total of 20 skills for the students to complete to a smartscore of an 80. In order to encourage the kids to keep up their skills, we have developed the following award system:

1. All participants - will receive a pencil.
2. Weekly checks - any week that a student completes 2 skills they will receive prizes from a large selection of items (1 prize for each completed week). See weekly check dates on the back. Because studies show retention of facts is best when the skills are practiced each week, students completing all of the skills at the beginning of summer or end of the summer would not be eligible to receive a prize for each of the weeks. It is our goal that students follow the weekly schedule of completing two skills per week.
 - a. All students will be allowed a 1 week pass for vacation/camp and will not be penalized during that weekly check as long as those 2 skills are made up another time.
3. Top in each class - whoever completes the most skills for each class will receive a sweatshirt pass.
4. Bonus Prize - anyone who completes ALL 20 SKILLS from the Boost will receive an out of uniform pass, to be used on a date approved by his/her homeroom teacher.
5. Grand Prize Drawing - all students who complete all weekly checks will be entered into a drawing for one of two \$50 gift cards to their choice of location.

Weekly check dates:

Week	Dates to Work on IXL	Check-In Date
One	June 5 - 10, 2023	June 11, 2023
Two	June 12 - 17, 2023	June 18, 2023
Three	June 19 - 24, 2023	June 25, 2023
Four	June 26 - July 1, 2023	July 2, 2023
Five	July 3 - 8, 2023	July 9, 2023
Six	July 10 - 15, 2023	July 16, 2023
Seven	July 17 - 22, 2023	July 23, 2023
Eight	July 24 - 29, 2023	July 30, 2023
Nine	July 31 - August 5, 2023	August 6, 2023
